

COVID-19: In-person Precautions

The coronavirus (COVID-19) continues to evolve worldwide, and I want you to know that I value health and safety as a top priority.

Measures I am taking for you -

I have been fully vaccinated since May 29, 2021, and am able to provide proof with vaccination card. If I, anyone in my household, or who I've come in close contact is feeling ill or tests positive for Covid-19, I will stay home and re-schedule our in-person appointment. I will wear a face-covering at all times during in-person client sessions.

What I ask of you -

If you, anyone in your household, or who you've come in close contact is feeling ill or tests positive for Covid-19, please contact me to reschedule your appointment. Please wear a face-covering at all times during in-person client sessions.

Weather permitting, I may ask you to open the windows in the space where we are working to increase ventilation and fresh air.

Thank you for your patience and understanding during these extraordinary times. Stay safe and if you have any questions, please email me at info@spacebykim.com

Warmly,
Kim
